Prime Digital Academy

Full Stack Software Engineering

- May 2020

University of Minnesota

Bachelor of Arts: Sociology

- August 2014

Normandale Community College

Associate of Arts: Communication

- August 2011

PROFESSIONAL OBJECTIVES

To learn and teach others. Working in a team setting allows for playing the roles of both teacher and student. Recognize the need for time to focus alone and truly dig deep into a project. Appreciate the freedom to explore while having a clear mission toward a final outcome.
